What is BECA?

BECA is a program that provides students with the opportunity to engage in extra curricular activities outside of school hours.

What is the purpose?

BECA has been established to expand children's learning and skills outside of the Australian Curriculum.

BECA is an innovative and holistic program which has been designed to enhance classroom learning by expanding the curriculum and helping children develop new skills and interests. The BECA program provides students with the opportunity to challenge themselves, enhance their learning and achieve in a variety of contexts.

BECA is driven by focusing on 21st century learning to ensure the education within the activity being taught is authentic and meaningful.

Creativity, Communication, Collaboration and Critical Thinking encompasses the fundamentals of activities provided for the program.

Skills learnt can be transferrable not only into classrooms, but can set students up for future career success.

How much is it?

The cost varies in price, depending on the chosen activity.

Who runs the activities?

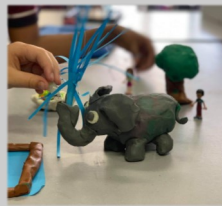

Teachers, support staff and outside organisations teach the available activities.

Where will the activities be run?

Designated classrooms and outdoor areas within Bakewell's school grounds.

What types of activities will be provided in Term 3 for students to participate in?

Hairtastic
Chess Club
Jolly Jewellers
Lego Masters
Environment Club
Nature Crafts
AFL
Jewellery Making with French
Touch Rugby
Contemporary Dance
Pottery Club
Animation
Karate

How long does the program go for and when?

The program runs for 8 weeks, Wednesday afternoons from 2:45pm– 3:45pm.

How do students register for the program?

Students register for program through the school interviews website:
www.schoolinterviews.com.au/

Bakewell Extra Curricular Activity Program

A confirmation email will be sent to you to advise if the chosen activity will or will not go ahead on the 20th June 2019.

Bakewell Extra Curricular Activity

Program

Important Notes, Terms and Conditions for Parents

Registering:

- Enrolment is on a *first-in, first-served* basis. Confirmation of Enrolment will be sent out from 20th June 2019
- **Parents are to enrol student/s in ONE activity only.**
- Where possible, all students get their first choice. **Online enrolment:** If your first choice option is full then you need to select another option. **Email:** These registrations are immediately transferred to the online booking form. The online enrolment option is the best option to use to get your choice because you know immediately if there is a place available.
- If you miss out on your first choice because the activity is full, select a second choice and then send an email requesting to be waitlisted for the first choice activity.
- Each activity needs a minimum number of students enrolled to enable commencement. The minimum for each activity is 10 students. If, when enrolments close, an activity does not reach the minimum 10 students you will be contacted and have the opportunity to enrol in another activity, if there is space available.

Participation:

- **Weekly sessions will commence Term 3, Week 2, Wednesday 31 July 2019 (2.45pm – 3.45pm) for 8 weeks, finishing on Wednesday 18 September 2019.**
- Once students have enrolled, their attendance each week is compulsory. During the term, if they are absent from the BECA session on three or more occasions without an explanation they will be deemed as having withdrawn from the activity.
- It is a parent's/guardian's responsibility to organise suitable transport for their child to get home from school.
- A late fee of \$2 for every minute will be charged for children who are collected after 4:00pm.
- **Parents must indicate upon registration the method of collection for their child** (whether they walk home, will be picked up from the venue, go to OSHC, etc.)
- **If your child attends Bakewell OSHC, the instructor/teacher will walk them to OSHC.**
- If a session is cancelled, a make-up session will be arranged at a later date and parents will be notified.
- **When registering a child to an activity, this indicates the parent/carer is giving consent for Bakewell BECA instructors to teach their child outside of schools hours and place them into the instructor's duty of care.**

Payment:

- Payment is due upon BECA email Confirmation of Enrolment and by the **28th June 2019** to guarantee a place in the activity. If payment is not made by that date, the place in the activity will go to someone on the waitlist.
- **Payment is only required when you have received Email Notification of the offer of a place in an activity from BECA administration.**
- Payments are to be made in full. No instalment payment plans are available.
- If a student is absent for a session there will be no refunds or make up sessions, unless the absence is due to the teacher being away.

Registering for an activity indicates acceptance of these Conditions

Bakewell Extra Curricular Activity

Program– Term 3, 2019

Hairtastic	An everyday life skill is to know how to look after and do our hair on a daily basis. This activity will be a fun way to learn about cleanliness, everyday personal styling, how to make natural hair treatments and get creative with hair chalk. The students will learn about product use, hair accessories and how to safely use a hair straightener and crimper. Students will learn these skills on model dolls, themselves and each other.		
Year 3 to Year 6	Class size: 20	Instructor: Carina Te Whata	\$85

Chess Club	This activity will provide children with an opportunity to explore games that involve critical thinking and develop creative solutions to problems. Students will be instructed in the rules of chess and other strategy games and mini tournament will be held at the end of the term. Chess is a fun way to learn and grow with people of similar interest.		
Year 4 to Year 6	Class size: 16	Instructor: Peter Summersby	\$75

Jolly Jewellers	This activity provides students with the opportunity to create their own unique jewellery creations. Students will develop their own creativity using different techniques to create their own bracelets, necklaces, earrings and rings. Students will use a range of materials including wool, wire, beads and shrink paper. There will also be a science experiment to create their own crystals to use in their jewellery making.		
Year 4 to Year 6	Class size: 20	Instructor: Sara Marlow	\$85

Lego Masters	This activity provides students with the opportunity to challenge their imaginations! They will design and create their own Lego masterpieces each week based on a different theme/topic.		
Years 2 to Year 5	Class size: 15	Instructor: Sarah West	\$70

Environment Club	This activity will provide engaging and meaningful learning about the exciting natural world we live in. Students will have the opportunity to explore the plants and animals we have here in Darwin and around the world, along with taking part in activities which will help to build their curiosity and love of nature. Activities such as bird spotting, insect identification and looking at how we and the school can look after our animal friends and the environment around us.		
Year 2 to Year 4	Class size: 14	Instructor: Katie Hobbs	\$70

Bakewell Extra Curricular Activity Program—Term 3, 2019

Nature Crafts	This activity provides students with the opportunity to experiment with different craft mediums that has some relation to nature. It will include projects that use craft materials such as crepe paper, pipe cleaners, painting and recycles materials. It will also include the opportunity for students to use items they find it nature for their project/s.		
Year 1 to Year 4	Class size: 20	Instructor: Tracy Graham	\$80

AFL	Australian Rules is one of the most popular sports in Darwin and the rest of Australia. In this activity, students will learn handballing, kicking, marking and decision-making skills along with having a great opportunity to have fun and compete with other students after school. Teamwork will be a big focus throughout the program and sessions will include skill building, games and modified matches. Activity is run by NT AFL.		
Transition to Year 3	Class size: 18	Instructor: NT AFL	\$80

Jewellery Making with French	GET CREATIVE! Using Fimo polymer clay and premade beads, we will make necklaces, bracelets and stud earrings. This class will enable students to use creativity and fine-motor skills to produce wearable fashion items of jewellery.		
Years 1 to Year 3	Class size: 12	Instructor: Gemma French	\$85

Touch Rugby	In this activity students will learn the basics of touch football in a fun and progressive program, which teaches and builds skills, concepts and rules. Touch football is a fun, safe and non-contact sport. Students will learn everything to know about touch footy in a safe environment while developing key gross motor and social skills.		
Year 3 to Year 6	Class size: 24	Instructor: Ben Griffiths	\$80

Contemporary Dance	Contemporary dance is a style that incorporates lyrical, modern, ballet and jazz. In this activity we will look at the diverse ranges of movement we can create. Exploring this avenue of self expression.		
Year 4 to Year 6	Class size: 15	Instructor: Jordana Jack	\$70

Bakewell Extra Curricular Activity Program– Term 3, 2019

Animation	<p>Do you know what shoes like Wallace & Gromit, Shaun the Sheep and Timmy Time have in common with movies like Star Wars and Early Man?</p> <p>All of them are either made with or include movie making technique of stop motion. Let your imagination go wild and come along to learn the fine points of how to create your very own short movie that will be sure to impress family and friends. With a variety of choices available for props and backgrounds, you decide how it looks– you are the Director!</p>		
Year 3 to Year 6	Class size: 12	Instructor: Andrea Hatton	\$70
Pottery Club	<p>Pottery Club over 8 weeks research, design and create a glazed pottery animals (Koala and Polar Bear) learning basic pottery techniques.</p>
