

Bakewell Extra Curricular Activities

Term 4, 2018

Clay Creations	This hands-on class will teach basic ceramic techniques to create a variety of ceramic works such as hand plates and mobiles. Perfect handmade Christmas present opportunity!		
Year 4 to year 6	Class size: 10	Instructor: Sandra Jenkins	\$85

Jazz/Pop Dancing	Ever wondered where those awesome dances that you see on pop music videos come from? Well, the answer is JAZZ! Come and try some JAZZ moves on Wednesday afternoons with Ms Knizek. Learn how to 'step, ball, change', turn and groove to music that started the JAZZ wave! Oh yes...and let's not forget those JAZZ hands! See you there!		
Year 4 to Year 6	Class size: 15	Instructor: Jacki Knizek	\$60

Cooking Class	This activity provides young students the opportunity to build their cooking skills using their creative and imaginative side. Children will experience different types of food and cooking techniques and most importantly learn to have fun with all types of food!		
Years 2 to Year 4	Class size: 15	Instructor: Tori Tozer	\$85

Introductory Ukulele	This beginner ukulele class is for anyone who would like to learn the basics of this fantastic instrument. Lessons will include getting to know the instrument, tuning, note introduction, basic chord formations and strumming patterns. No previous experience is necessary and the ability to read music is not required in this course. This course is a fantastic introductory pathway to guitar lessons. Soprano ukulele to be provided by student or can be hired for a small fee of \$10 for the duration of the course. *Terms and conditions apply*		
Year 3 to Year 6	Class size: 15	Instructor: Jamie Martin	\$60

Puppets Painting & Craft	This activity will provide students with the opportunity to engage in a variety of hands-on arts and craft activities such as puppet making, collage, painting and construction. Students will have the opportunity to explore their creative side and best of all, have FUN!		
Transition to Year 2	Class size: 15	Instructor: Sarah West	\$75

Country Craft	This activity is an opportunity to experience no-sew crafty creativity using fabrics and patterns to produce beautiful, useful handicrafts in the country cottage style. Children will have to follow patterns and cut their own fabrics to assemble a variety of items including photo frames and pencil holders.		
Year 4 to Year 6	Class size: 16	Instructor: Andrea Hatton	\$85
Basketball	If you like having fun while learning a new skill then basketball is for you! You will learn the basic skills of basketball, such as dribbling and shooting balls... all while making new friends. Looking forward to seeing you there!		
Year 4 to Year 6	Class size: 16	Instructor: Brianna Grazioli	\$70
Musical Theatre	Students will learn how to combine all three performing arts areas; exploring the elements of music, dance and drama. They will build practical knowledge of stagecraft, characterisation and choreography. This activity provides students the opportunity to collaborate with other students with the same interests, challenge their own imaginations, as well as develop performance skills in a meaningful and purposeful way.		
Year 2 to Year 4	Class size: 20	Instructor: Leanne Hopkins	\$60
Dance, Exercise and Drama	This activity provides young students the opportunity to build skills with their co-ordination, imagination, public speaking and LOTS more. Children will experience choreographed dances, movement exercises and FUN drama games.		
Transition to Year 2	Class size: 20	Instructor: Candace Fitzgerald	\$60
Press Club	Ever thought about becoming a writer, photographer, designer or artist? Bakewell's Press Club is your chance to challenge yourself as a part of a newspaper editorial team. You'll learn about journalism, interviewing, and designing a newspaper. Get your name, writing or art in print for Bakewell's first ever school-wide student-led newspaper.		
Year 4 to Year 6	Class size: 20	Instructor: Nikita McInnes	\$60
Glee Club	Ready...SET...SING! This activity provides students the opportunity to build their confidence through singing. Students will learn vocal warm- ups, breathing exercises and a variety of songs!		
Year 4 to year 6	Class size: 20	Instructor: Amber Fowler	\$60
Minecraft	Minecraft Education helps prepare students for the future workplace, building skills like collaboration, communication, critical thinking and systems thinking. This open learning environment gives students the freedom to experiment, encouraging creative self-expressions and problem solving. This activity is provided by a GLOBAL MINECRAFT MENTOR.		
Year 4 to year 6	Class size: 10	Instructor: Aniello Nastasi	\$60
